

Tags.

It is possible to add tags to a claim, by making a right click on the button of the concerned claim, a tag screen will open, you will be able to search these tags in the filter in the joblist screen and select "Estimation Tag"

The screenshot shows a software interface with a filter panel on the left and a list of claims on the right. The filter panel includes an 'Advanced' checkbox, several text input fields for 'type a driver name', 'type an insurer name', 'type an engineers name', 'type an agent name', and 'type a colour', a dropdown menu set to 'All', and a checkbox for 'Show only vehicles in' with 'Estimation Tag' entered in the field below it. A green arrow points from this field to the right-click button of a claim in the list. The list contains 13 rows of claims, all with the description 'Deans Body Repair' and the date '08-08-2017'. The claim with ID 150075 is highlighted, and a mouse cursor is hovering over its right-click button.

ID	Description	Date
150078	Deans Body Repair	08-08-2017
150077	Deans Body Repair	08-08-2017
