Rental auto re-plan.

Rental auto re-plan.

rentals can be automatically re-planned based on the Book in date and the expected completion date of the job. To do this, you need to set up, under the "System" (1), "Options" (2), the configuration RENTAL_AUTO_REPLAN (3) (press Ctrl + F, and type RENTAL_AUTO_REPLAN). This can be done in different ways (4), you will find the different settings under the screenshot.

The screenshot shows the PlanManager interface. The 'System' tab is selected (1). The 'Options' section is expanded (2). The configuration 'RENTAL_AUTO_REPLAN' is selected (3). The 'Value' dropdown menu is open, showing various options (4).
