

Installation/Configuration

Comment pouvez-vous installer le lien entre la balance de peinture et PlanManager?

PlanManager

Installation/Configuration

The screenshot displays the PlanManager Configuration Editor interface. The left sidebar contains navigation options: COMMUNICATION, HELP, WORKSHOP, JOB, PLANNING, REPORT, MAINTENANCE, SYSTEM (highlighted), RENTAL, and INVOICING. The main content area shows the 'Configuration Editor' for 'SCALE_PROGRAM'. The 'Name' field is set to 'SCALE_PROGRAM'. The 'Value' dropdown menu is open, showing a list of paint brands: Sikkens, Axalta (Chromaweb, Phoenix and Standoin IQ), DuPont, Glasurit, Lacour, PPG, Sikkens, and Standox. The 'Axalta' option is selected. The right side of the interface shows a table of configuration items.

Installation/Configuration

The screenshot displays the PlanManager configuration interface. The left sidebar contains navigation options: COMMUNICATION, HELP, WORKSHOP, JOB, PLANNING, REPORT, MAINTENANCE, SYSTEM (highlighted), RENTAL, and INVOICING. The main content area shows the 'General settings' tab selected, with a red circle '1' highlighting the tab. Below it, the 'Configuration Editor' for 'PAINT_SUPPLIER' is shown, with a red circle '2' highlighting the 'Name' field and a red circle '3' highlighting the 'Save' button. The 'Value' field contains the number '47'. To the right, a table lists various configuration items with their names and locations.

Installation/Configuration

Installation/Configuration

The screenshot shows the PlanManager web application interface. The browser address bar displays the URL: `https://demo.planmanager.insypro.com/index.php?time1675954696288&c=maintenance&a=supplier_view&id=341`. The 'id=341' portion is highlighted with a purple box, and a purple dashed arrow points from it to the 'Paint Supplier' text in the 'Name' field of the 'Supplier Editor' form. The interface includes a left sidebar with navigation options: COMMUNICATION, HELP, WORKSHOP, JOB, PLANNING, REPORT, MAINTENANCE (highlighted in orange), SYSTEM, and RENTAL. The main content area shows the 'Supplier Editor' form with various fields for supplier information, including Name, Address, Town, Country (set to Belgium), VAT Number, VAT Percentage, Title, Supplier Type, Usable in these locations, Number, Phone, Fax, Mobile, Email, Contact, Language (set to Nederlands (BE)), Customer Type, Type, and Makes. The 'Products' checkbox is checked, and 'Services' is unchecked.

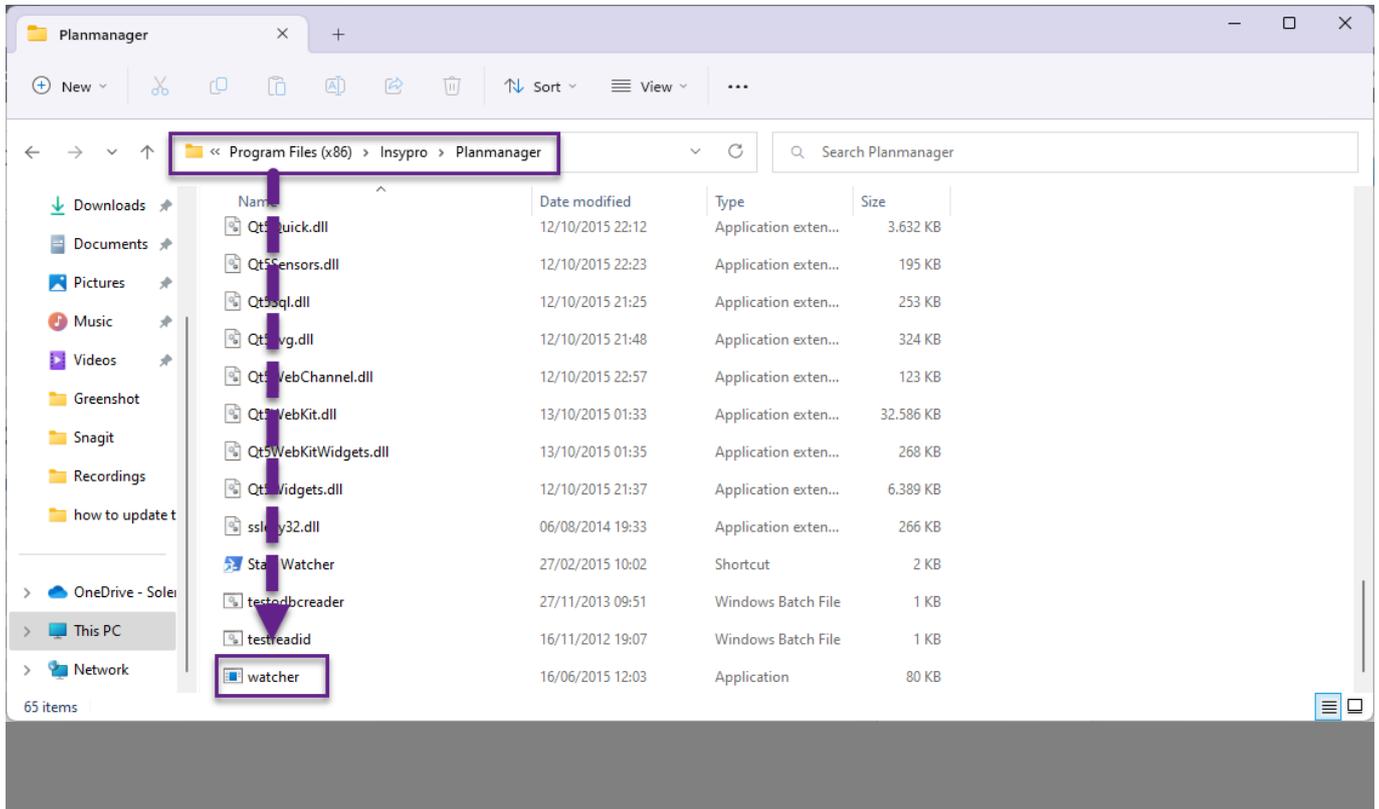

Installation/Configuration

PlanManager Watcher

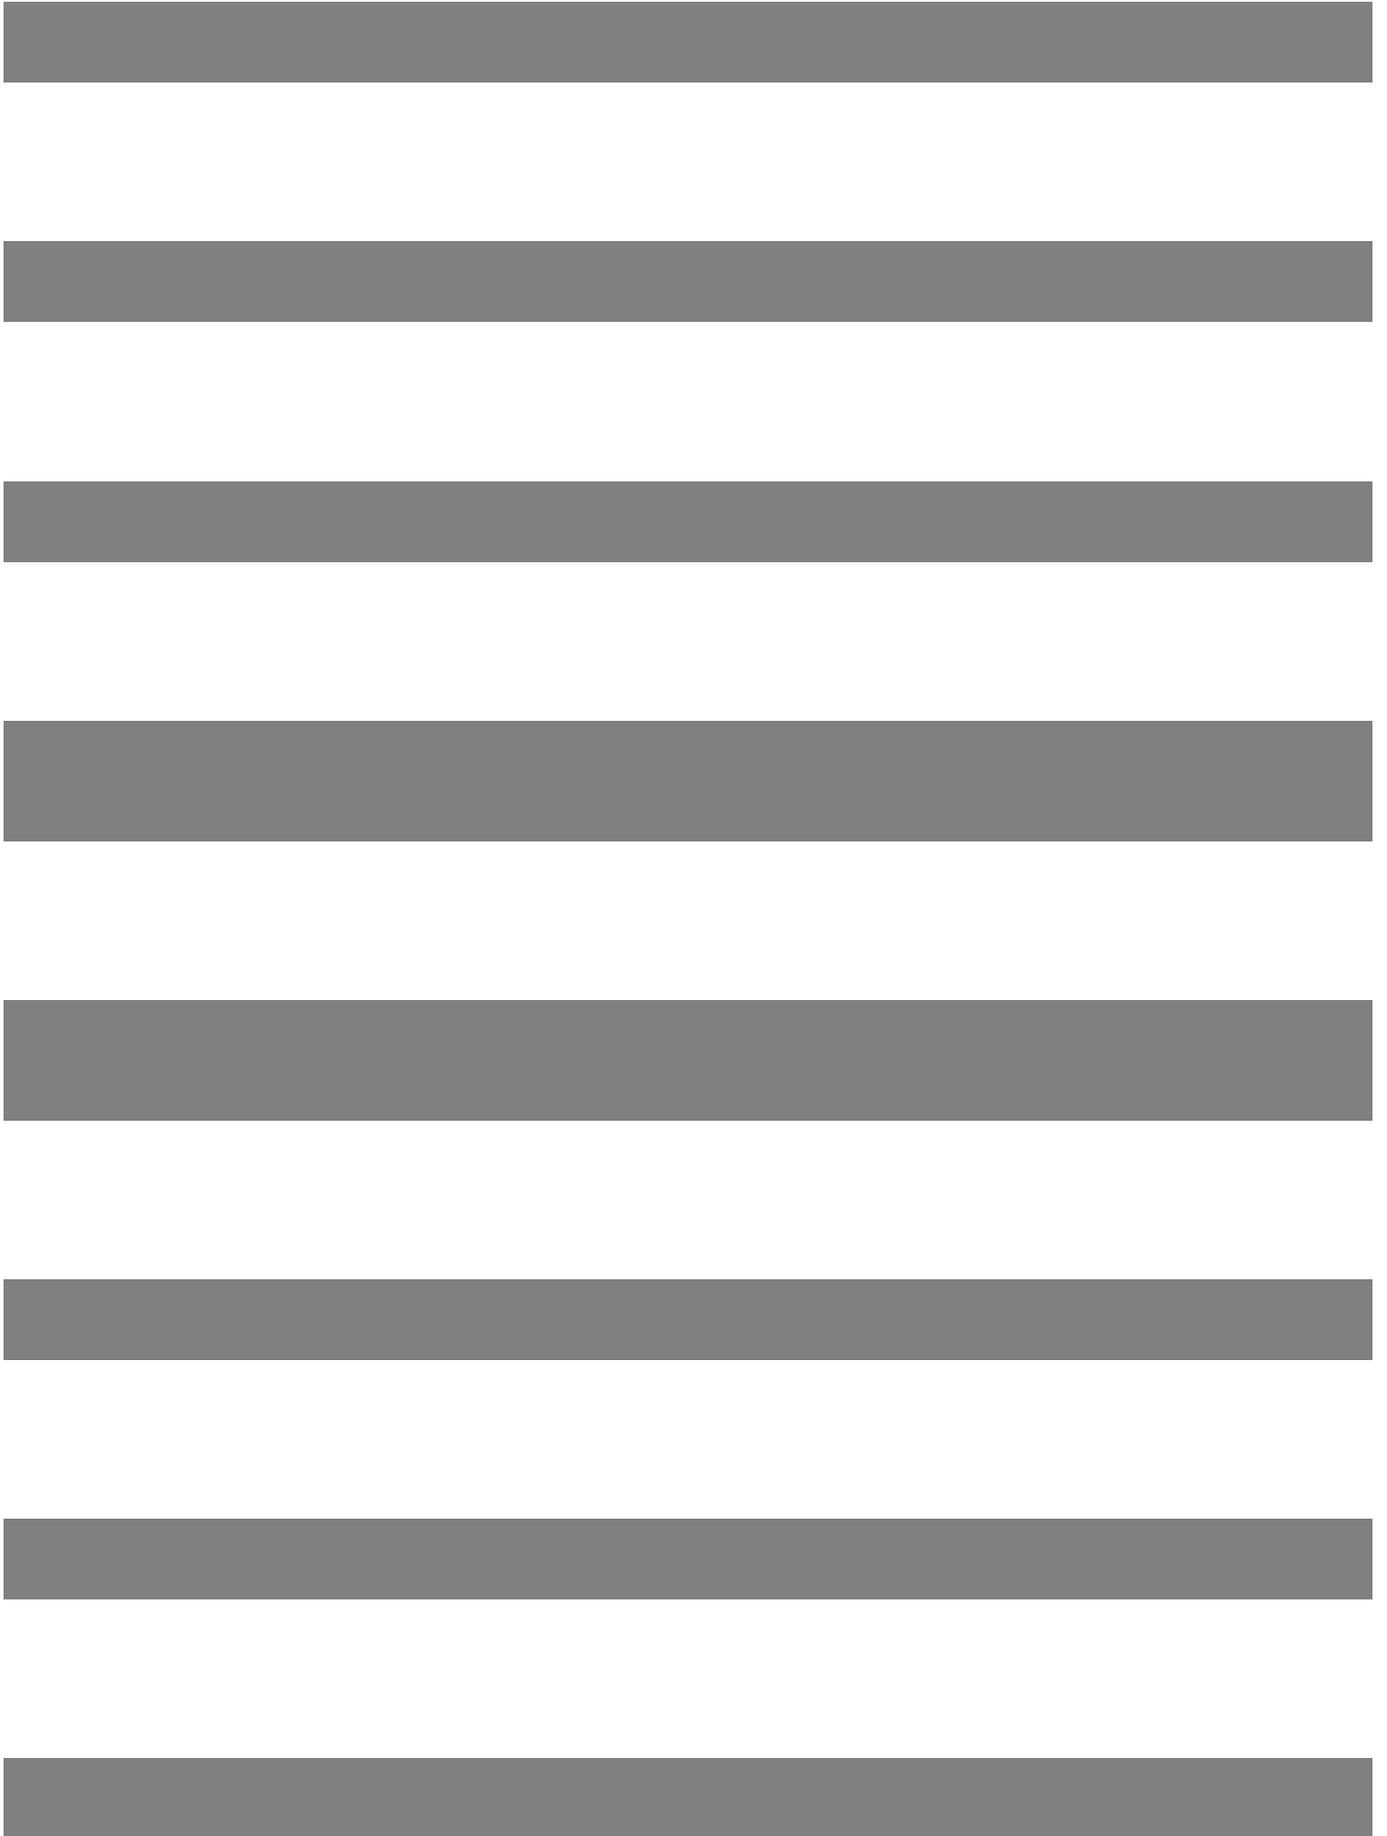

Installation/Configuration

Configuration de PlanManager Watcher :

Installation/Configuration

Installation/Configuration

The screenshot shows the 'PlanManager Map Monitor' configuration window. It features a left sidebar with a list of fields, each with a red circular callout number. The main area contains configuration options and buttons. The callouts are: 1. 'Bekijk map' (View map), 2. 'Url', 3. 'Actie' (Action), 4. 'Login', 5. 'Wachtwoord' (Password), 6. 'Bestanden verwijderen na verwerking' (Delete files after processing), 7. 'File to watch', and 8. 'Opslaan' (Save).

Installation/Configuration

Installation/Configuration

The screenshot displays the 'Instellingen' (Settings) window in the Mixit Pro software. The window is titled 'Instellingen' and has a close button (X) in the top right corner. It features several tabs: 'Gebruikers', 'Apparaten', 'Bedrijfsinstellingen', and 'Kleurdokumentatie'. The 'Bedrijfsinstellingen' tab is currently selected, showing a configuration page for company settings. The page is divided into two main sections: 'Voorkeuringinstellingen Rapportages' (Reporting Preferences) and 'Bedrijfsinformatie weer te geven op rapport' (Company Information to be shown on report). The 'Voorkeuringinstellingen' section includes dropdown menus for 'Rapportagehoeveelheid' (set to 'Liter'), 'Rapportaget taal' (set to 'Nederlands'), 'Papierformaat' (set to 'A4'), and 'Toon logo op rapporten' (set to 'Inschakelen'). The 'Bedrijfsinformatie' section contains text input fields for 'Bedrijfsnaam', 'Adres', 'Stad', 'Provincie', 'Postcode', 'Telefoonnummer', and 'Fax'. At the bottom, there are options for 'Schakel Exporteer Bestand in' (set to 'Inschakelen') and 'Exporteren naar' (set to 'C:\exportmixitpro'), with a 'Bladeren' (Browse) button next to the path field. The background of the software interface shows a product configuration for 'Toyota, Light Blue, Metallic tweelaags' with various tabs like 'Acties', 'Variant Acties', 'Acties Metingen', and 'Formule Acties' on the left, and a 'Kleurformule (Absoluut)' table on the right.
